**Subdivision Roads**

---

Lyon County recognizes it is in the best interest of the County to establish criteria for accepting subdivision roads into the county system of maintained roads. Pursuant to Lyon County Ordinance §620.13, the follow documents must be attached to this application prior to consideration by the Lyon County Fiscal Court:

1. Written list of all property owners, including current address, who own property abutting the proposed road.
2. Written list of the number of homes located on the proposed road.
3. Written and signed acknowledgement by all property owners whose property abuts the proposed county maintained road who support acceptance as a county maintained road.
4. Copies of current deeds to all properties abutting the proposed county road.
5. Copies of all plats of the subdivision.
6. Proposed deed conveying the real property where the road lies to Lyon County.

Upon submission of the above documents, the proposed subdivision road application shall be forwarded to the Lyon Fiscal Court for further consideration.
